Therfield Heath and Greens

Therfield Heath is a special place. It is Common Land and most of it is a Local Nature Reserve and a Site of Special Scientific Interest. One area is also a Coronation Meadow.

It is owned by the Therfield Regulation Trust, which is a registered charity. It is managed by the Conservators of Therfield Heath and Greens.

Therfield Heath holds the status of a Site of Special Scientific Interest (SSSI) notified under Section 28 of the Wildlife and Countryside Act 1981. The main reason for the citation is the chalk grassland habitat and the specific grasses, flowers and insects associated with it.

Volunteering

The Conservators frequently need help with work on the heath. If you're interested in assisting with some of the maintenance tasks, please do get in touch with the Conservators by emailing the Clerk to the Conservators clerk.conservators.therfield@gmail.com

Committee and social committee

Please do get in touch if you'd like to join our team or help organise social events at friendsoftherfieldheath@gmail.com
